

# MORTADELLA SANTO CON PISTACCHIO

<b>CODE</b>	78710
<b>COUNTRY OF ORIGIN</b>	Italy, Emilia Romagna
<b>WEIGHT</b>	12 kg approx.

Mortadella of good size with a delicate flavor

<b>DESCRIPTION</b>	Cooked cured meat produced with national pork meat and stuffed into natural gut
<b>APPEARANCE</b>	When cut, the slice is velvety and homogeneous pink, with pearly white lardons
<b>TASTE</b>	Sweet and fragrant, with a delicate aroma of garlic and a pleasant contribution due to the presence of pistachio
<b>OUR SELECTION</b>	La Mortadella Santo Villani is a PGI product and all stages of processing are controlled by the Consorzio della Mortadella Bologna. It is prepared in the Bologna factory with selected raw materials and does not contain gluten, polyphosphates and milk derivatives
<b>CURIOSITY</b>	From the energetic point of view, one hectogram of mortadella has less calories than a plate of pasta and the same calories as the cheese to spread. Today, Bologna Mortadella has only 60-70 milligrams of cholesterol per ounce, just like the lightest and most dietetic white meat
