pumpkin

TASTE It has a clean, spicy but delicate flavor

PRODUCER La Cicogna - Cicognolo (CR) - Emilia Romagna

OUR SELECTION We have been working for many years with family Luccini, because the Cicogna's mustards

are characterized by both the quality of the raw material and the craftsmanship of the

production. A quality that is recognized on the palate

CURIOSITY Fruit and mustard have been combined since the Lombard creation of fruit mustard in the

14th century. Large chunks of fruit preserved in a warm, sweet mustard syrup were served

with meat and game. Traditional variations of fruit mustards include apple mustard

(traditional in Mantua and very spicy), quince mustard (or Vicenza mustard, mild and with a jam-like appearance) and cherry mustard. In various areas of Italy, the term mustard refers

to sweet condiments based on fruit, vegetables and mosto, grape juice that is simmered

until it becomes syrupy

SUGGESTIONSThe Mostarda of Cremona is excellent with salami, boiled meats and cheeses, or in the

classic mix with mascarpone and panettone. In particular, it goes well with Toma Piemontese, the Parmigiano Reggiano and with a good cooked ham, better if slightly

smoked. Also fantastic on pumpkin ravioli or on a risotto with cheeses
