OUR SELECTION	A line of high-quality, ready-to-eat gourmet dishes created by Eat Like a Star, a company from Treviso with extensive experience in the restaurant industry. An interesting selection of ready-to-use recipes that we aim to offer both to the new catering sector, which may not have access to fully equipped kitchens, and to traditional retail channels that are always looking to expand their range of ready meals
SUGGESTIONS	Typically served with tacos or tortillas, which can be easily replaced with a piadina for a more Italian version of the dish. For reheating, pierce the bag and heat in the microwave at 750 W for 2 minutes
