

FILETTI DI POMODORO SAN MARZANO DOP

CODE	96374
COUNTRY OF ORIGIN	Italy, Campania
WEIGHT	Net weight 300 g (Drained weight 225 g)

The quintessential tomato, in bright red fillets

DESCRIPTION	Hand-harvested San Marzano DOP tomatoes; after being peeled, they are quartered to make fillets and placed in jars with their own juice
APPEARANCE	Elongated in shape and with a genuine pulp; they have a beautiful bright red color
TASTE	Fresh and sweet, with a slight hint of acidity and an aroma imparted by basil leaves
PRODUCER	Casa Marrazzo - Pagani (SA)
CURIOSITY	The San Marzano plant grows upright, supported by wooden stakes so that the fruit does not touch the ground, and the foliage protects it from direct sunlight; the mild climate and the watery soil complete the picture for this particularly delicate and sweet tomato
SUGGESTIONS	Fillets intended for pure use on a gourmet pizza or simply on a slice of warm toasted bread
